

Route # 2 Tour de Cherry – 29.8 miles

You'll see every side of Cherry Mountain on this great country ride. After getting off 74-B, the only moderately busy road is Bostic-Sunshine Highway. Be careful to make the correct turns at the Big Springs, Hollis turns. The state's official touring bike route # 8 crosses this route, but do not turn on it.* Stop for a snack at Toney's Grocery on Bostic-Sunshine Highway.
