Upcoming Events:

Saturday, April 7th: ROC Walk With Brother Wolf

Meet at Brother Wolf (1364 US-221, Rutherfordton, NC 28139) at 10 am to get matched up with one of the shelter dogs. We will walk the dogs for 2 miles on the Purple Martin trail.

Since there are a limited number of dogs available, you MUST pre-register for this event. Email Dana Bradley at dana@rutherfordoutdoor.org or call her cell at (864) 324-1188 to sign up.

Sunday, April 8th: ROC Broad River Fun Float

We are dying to hit the water! Join us as ROC floats section 6 of the Broad River; a 4.3-mile easy trip. We will meet at the Coxe Road River Access (2254 Coxe Road, Rutherfordton) at 10 am to unload boats.

At 10:15 am, we will drive most of the vehicles to the take-out point. We have special permission on this day to take out on private property on Poors Ford Road. Those who drive to the take-out point will carpool back to Coxe Road in 1 or 2 vehicles and we should be able to be on the water by 11 am. This float will take 3 - 5 hours depending on conditions and how many times we stop.

Please bring any water, snacks, sunscreen, or other items you may need along with you.

For more information or to RSVP, email trails@rutherfordoutdoor.org or call (828) 351-3235.
Saturday, April 14: ROC ICC Girl Scout Workday

On this Saturday, ROC will partner with a local Girl Scout troop to improve the trails at Isothermal Community College. On a section of the Blue Trail, the group will plant flowers, trim back encroaching briers, and pick up trash.

We will meet at 2 pm in the Foundation parking lot. ROC will provide the necessary equipment. Bring enough water and snacks to last you through 2-3 hours of the event.

For more information and to RSVP, email Trevor at trails@rutherfordoutdoor.org or call (828) 351-3235.

Sunday, April 15th: ROC Pink Beds Hike

Join us as we explore the beautiful Pink Beds Trail in the Pisgah National Forest. This 5-mile route will take us though a unique mountain bog habitat on very easy to moderate trails. This should coincide with many spring wildflower blooms!

We will meet at the Rutherford County Office Building, 289 N. Main Street, Rutherfordton, NC at 9 am to carpool. Be sure to dress for the weather and bring plenty of water! Pack a lunch or snacks as well.

For more information email trails@rutherfordoutdoor.org or call (828) 351-3235. Please RSVP in advance and let us know you are attending.

Tuesday, April 17th: ROC Monthly Meeting

Our monthly meetings are held on the third Tuesday of each month. Come out to Barleys in Spindale at 5:30 to learn about ongoing and future ROC projects and to meet members and volunteers.

Sunday, April 29th: ROC Summits and Full Moon Hike

The cosmos aligns for this great hike! Join us as we ascend the beautiful summits of the Trombatore Trail and Bearwallow Mountain, ending under the full Flower Moon. Though the full route is
7 miles in length, this hike is easy to moderate, and families are welcome and encouraged.

There is also an option of catching only the tail end, the 2-mile round trip hike to and from the summit of Bearwallow Mountain. Contact ROC for more information about this.

We will meet at the Rutherford County Office Building, 289 N Main Street Rutherfordton at 3:30 pm to carpool. If wishing to ride separately, be advised, parking at the trailhead is extremely limited.

Please wear comfortable hiking attire and sturdy shoes. Be sure to bring plenty of water and dinner, as we will break to eat at the summit of the Trombatore Trail. Also, remember to pack a flashlight or headlamp, as we may arrive back at the trailhead in darkness.

For more information or to RSVP, email trails@rutherfordoutdoor.org or call (828) 351-3235.

Updates:

**Muddy Sneakers**

As many of you know, ROC has partnered with Muddy Sneakers. Muddy Sneakers is a non-profit organization that takes 5th grade students out to local trails to learn science in an outdoor setting.

Our Outdoor Programs Director, Dana Bradley, now works as the Lead Instructor for Muddy Sneakers in Rutherford County as part of her position. She has been an instructor with them since August, 2017.

There are 5 schools in Rutherford County that currently take part in the Muddy Sneakers program and we hope that number continues to grow each year. Weather, forces and motion, matter, energy, and terrestrial ecosystems are some of the subjects students learn about on their expeditions.

**Broad River Workday**

On March 3rd, some highly-dedicated ROC
volunteers turned to clear large trees from Section 5 of the Broad River. This section is now ready to float, though we wouldn’t advise this until it is warmer.

A very special thanks to Neil Fruhwirth and Joe Buchanan who were there to rescue those who fell into the water on this expedition.

If you would like assist on upcoming river or trail workdays such as this, email Trevor at trails@rutherfordoutdoor.org or call (828) 351-3235.

ROC Gorges State Park Hike

On March 10th, ROC led a hike through the hills and valleys of Gorges State Park. The weather was great, the journey scenic, and the destination well worth the lengthy hike. We saw Lake Jocassee, explored a short section of the Foothills Trail, and saw many specimens of the Oconee Bell wildflower.

Ways to Participate in ROC:

Trail Boss and River Steward Programs
ROC needs Trail Bosses for the ICC Trails in Spindale. If you are interested, please contact us and we will get you started!

- We need people like you to become trail bosses and river stewards for our local trails and river system.
  - **Trail Bosses** walk their section of trail at least once a month, report any issues they see, and help keep their section clean.
  - **River Stewards** float their river section once a month and report downed trees and other obstacles that need to be addressed. There is a River Stewards meeting held on the 2nd Thursday of each month to discuss river improvements and plan future clean-ups.
