Updates:

Muddy Sneakers
As many of you know, ROC has partnered with Muddy Sneakers. Muddy Sneakers is a non-profit organization that takes 5th grade students out to local trails to learn science in an outdoor setting.

Our Outdoor Programs Director, Dana Bradley, now works as the Lead Instructor for Muddy Sneakers in Rutherford County as part of her position. She has been an instructor with them since August, 2017.

There are 5 schools in Rutherford County that currently take part in the Muddy Sneakers program and we hope that number continues to grow each year. Weather, forces and motion, matter, energy, and terrestrial ecosystems are some of the subjects students learn about on their expeditions.

Trail Boss and
River Steward Programs

ROC needs Trail Bosses for the ICC Trails in Spindale. If you are interested, please contact us and we will get you started!

- We need people like you to become trail bosses and river stewards for our local trails and river system.
  - **Trail Bosses** walk their section of trail at least once a month, report any issues they see, and help keep their section clean.
  - **River Stewards** float their river section once a month and report downed trees and other obstacles that need to be addressed. There is a River Stewards meeting held on the 2nd Thursday of each month to discuss river improvements and plan future clean-ups.

- If you are interested in learning more about becoming a trail boss or river steward, contact Trevor Freeman at trails@rutherfordoutdoor.org or call (828) 351-3235.
