UPDATES

Saturday January 18th
ROC Heart of the Foothills Dog Walk

We had a record number of volunteers participated in the monthly dog walk! The dogs get to go for a 2-mile wander on the Thermal Belt Rail Trail with their human volunteers. There are many more dogs available and just wagging their tales wanting to be taken out, so come join us next month! The next walk is scheduled for Saturday, February 22nd. Thank you to everyone who came this month.
ROC Workdays at
Buffalo Creek Park

ROC and Town of Lake Lure Volunteers worked on the trail three times again this month; Thursday January 9th, Thursday January 16th, and Tuesday January 21st. We removed some fallen trees that were blocking the loop and performed erosion control on some of the upper switchbacks. We even found a bird's nest with four eggs in it! We're getting closer to Spring!
Thank you to Bruce Rome, Robin Worcester, Jonathan Cook, Ken Golliher, and Callia Johnson for all of your help this month!

These popular trails get a lot of use and require consistent maintenance - please let us know if you’d like to join the efforts!

More about Buffalo Creek Park

**ROC Workday at Dittmer-Watts Nature Trails**

ROC and the Town of Lake Lure had almost 30 volunteers show up for the trail workday at Dittmer-Watts Nature Trail Park on Saturday January 18th! Students from Thomas Jefferson Classical Academy were a huge part of that group and helped out massively. They came with so much energy and demonstrated
excellent teamwork! Everyone had smiles on their faces and all the 
laughter made the day go by quickly. Thank you so much to newcomer 
Sherry for joining us, Robin, Ed, Garrett, Devin, and everyone from TJCA 
for an excellent day! We're being grateful for your help.

Thank you to David, Janet, Jenny, Victoria, and Callia for a day of 
mud-slinging trail work yesterday at Isothermal Community College! 
The roots were relentless but the sunshine was out and there was 
laughter all around. 🤪😊

We also had a surprise visitor from the Rutherford Weekly - so keep 
an eye out for that upcoming feature!

The hike up to the Parkway was a tad arduous but the crew that made it to the hike on Saturday January 25th were duly rewarded! Beautiful ice formations, crisp, sunshiny air, flowing waterfalls and 12 miles of great companionship were some of the highlights of this excursion. We're glad you all made it out for this unique hike!

WAYS TO PARTICIPATE IN ROC

Volunteer Opportunities

Volunteering is a great way to build skills, meet people, and give back to the community all while having fun. We invite and encourage individuals and groups of all backgrounds and ages to get involved and help grow a stronger community.

ROC offers many types of volunteer opportunities throughout the year with varying levels of involvement and physical activity. Our volunteer opportunities include trail projects, fundraising events, festivals, group outings, clean-ups, and more.

If you are interested in learning more about volunteer opportunities, contact Callia Johnson at trails@rutherfordoutdoor.org or call 828-351-4161.

Trail Boss and River Steward Programs

ROC needs Trail Bosses for the ICC Trails in
Spindale. If you are interested, please contact us and we will get you started!

- We need people like you to become trail bosses and river stewards for our local trails and river system.
  - **Trail Bosses** walk their section of trail at least once a month, report any issues they see, and help keep their section clean.
  - **River Stewards** float their river section once a month and report downed trees and other obstacles that need to be addressed. There is a River Stewards meeting held on the 2nd Thursday of each month to discuss river improvements and plan future clean-ups.

- If you are interested in learning more about becoming a trail boss or river steward, contact Callia Johnson at trails@rutherfordoutdoor.org or call 828-351-4161.
