

Rutherford Outdoor Coalition (ROC) is a non-profit group dedicated to promoting recreation in Rutherford County. Their focus is on running, hiking, biking, paddling, and rock climbing.

The ROC—Equestrian Division (ROC-ED), a division of ROC, is actively working to bring revenue to Rutherford County by attracting tourism dollars, keeping our \$ local, and making Rutherford County a recreational destination!

We are in the process of forming an Equestrian only trail system through Rutherford County similar to the FETA & CETA trail systems in Polk County. Our current focus is in the Bostic and Greenhill/Gilkey areas.

ROC-ED is currently offering organized trail rides to many of the beautiful trails in our area.

Goals for the near future:
Hosting Horse Shows
Interconnecting our equestrian trails with regional multi-use trails

“The mission of ROC-ED is to develop, preserve & protect equestrian trails in Rutherford County. By doing so, we will promote trail stewardship, encourage the enjoyment of the outdoors, preserve the beauty of our county through land conservation and positively impact the economy of Rutherford County”

Donations:

As a non-profit 501(c)3 organization, we depend on the generosity of individual supporters to fund our efforts. In addition to your ROC-ED membership, please consider making a tax-deductible contribution to support us. It is not necessary to be a member to make a donation. Your donation is completely tax-deductible and very much appreciated.

Everyone is welcome to become a member of ROC-ED. Please join us (member or not) for our monthly meetings the first Wednesday of every month at 6:30pm. All meetings are held at the Rutherfordton Annex building; 289 Main St, Rutherfordton. If the meeting place changes an e-mail will be sent and the change will be posted on Face-book
